

# Hex Hive 2.0™ Instruction Sheet

**Important:** For proper assembly, make sure all Hex Hive 2.0 pieces are facing the same direction.

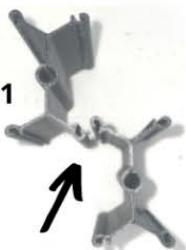

**Right**

**Wrong**

**Step 1:** Take 2 Hex Hive 2.0 cells and orient the open face of a hook on each Hex Hive 2.0 cell so they face each other. See **Fig. 1**

**Fig. 1**

**Right**

**Wrong**

**Step 2:** Slide the hooks together **Fig 2.1** until the Hex Hive 2.0 cells are flush with each other. **Fig. 2.2**

**Fig. 2.1**

**Fig. 2.2**

**Step 3:** When connecting multiple Hex Hive 2.0 cells together, line up the hooks like **Fig 1** and slide together at the same time.

**Fig. 3**

**Fig. 3:** Three Hex Hive 2.0 cells hooked together.
